SHOE SALESMAN A SUICIDE. Cooney Sent Family Away Before Turning on the Gas.

Placing a rubber tube on a gas jet and then securely fastening the tube to his mouth, Leo V. Cooney, a salesman, employed at a Pennsylvania avenue shoe gas and lay down in bed at his home to await death.

During the early afternoon Cooney sent his wife and three-year-old son into the country to visit friends. It is thought that he then began his plans to end his life. The wife and son returned home about 10:30 o'clock last night and found the front door locked. Upon opening it with a key she was alarmed by the odor of gas and made a hasty investigation or the lower for the cause. She called of Columbia Typographical Union, No. for her husband, and receiving no reply 101, is in receipt of a letter from James went to the second floor. Upon entering body, giving a brief outline of the results on the bed and gas flowing from the open jet. She opened the windows and made following the inauguration of an old-age an effort to resuscitate him. A physician dead.

Coroner Nevitt found a note left by Cooney, as follows: "Last will April 17, 1909. THE IRISH IN AMERICA.

Influence of the Race Described by Representative Graham. Representative James M. Graham of

Illinois described "the magnificent development of the Irishman in America" in paratory to the campaign of large cities an address last evening before the memin the United States in the interest of bers and friends of Division No. 2, 'Anmissions, which opens in Washington cient Order of Hibernians. His topic was next October. He will address the clergy "The Influence of the Irish Race Upon Bids for New Schoolhouse to Relieve Civilization."

Throughout his address Mr. Graham reiterated that the Irishman has impressed Federation of Laymen in Washington at history. He spoke of the deep religious devotion of the race; traced its career in manity. The part taken by Irishmen in the

> in describing their career in the United States Representative Graham said: "We know that freedom of speech and conscience and action gave him that great opportunity, for centuries awaited, which would enable him to prove him-In his own isle he was fighting against tremendous and insurmountable odds. In the face of the unequal struggle he has never flinched, however, and that very fight has given him a splendid disciplinary training to make his way in land of equal rights. His schooling was ideal for the work which was mapped out for him in the United States." At the conclusion of the address Mr. Graham was tendered a rising vote of thanks by the large audience.

When Ordering Butter It Pays to buy where quality is assured. There is mo finer Eigin Butter than that sold by D. acter of Frances E. Willard." Mrs. William Oyster, 340 Center mkt., Western Clayton E. Emig, president of the Central "Y" of the union, will preside over

BOTH TAKEN TO HOSPITAL.

Mrs. Mary Wedderfall and Her Grandson Fall From Street Car. Mrs. Mary Wedderfall, sixty years of age, and her grandson, William McGarvy, eleven years of age, of 1416 14th street northwest, are patients at the Emergency Hospital, suffering from injuries received at 9th street and Pennsylvania avenue northwest last evening.

The boy had stepped from the car, and in doing so fell to the ground. The grandmother attempted to get off the car to aid him, and she also fell to the ground. The woman and boy were picked up by passengers on the car and removed to a nearby drug store.

They were later taken to the hospital, where it was found Mrs. Wedderfall was suffering from a slight concussion of the brain and bruises of the body. The boy also received bruises about the body. It was stated at the hospital today that their condition was improved.

TO MAKE "GRAND ACT."

John P. Meagher, S. J., to Stand Test in Philosophy.

John P. Meagher, S.J., will make what is known as the "grand act in philosophy" at the Jesuit House of Studies. Woodstock, Md., Thursday. This is regarded as the most crucial test in philosophy. Presidents of leading colleges. professors of theology and philosophy and eminent scholars, in turn, propound question on question bearing on philosophical subjects, to which the scholastic must make verbal reply. He must define. offhand, each subject and maintain throughout the ordeal his own opinions against any argument or opinion advanced by his questioners. Mr. Meagher is a native of the District, having been born in this city in 1884. He received his early training at Gonzaga College and entered the Society of Jesus in 1902. He made his novitiate and juvenate at St. Andrew's-on-the-Hudson

OVERCOME BY SPRING FEVER

The Washington Saengerbund celebrat- POST OFFICE TOWER CLOCK SHOWS SIGNS OF LASSITUDE.

> of Public Duty Sadly Lacking.

Don't try to catch a train by the post office clock. The result might be the taking of a later train. For, if the truth be told, the timepiece in the tower of the Post Office Depart-

ment building is suffering from an attack

of ennui. Truly, it is loafing on the job. and has been doing so for a week. This morning for a time it was altogether idle, refusing to note the progress of time. The attack came on with the first signs of real spring, when old General Humidment, which he regards as endangering ity, who regularly summers in Washington, began to make arrangements for moving to the National capital. That was last Saturday, and the old hands began to let the minutes slip by without thinking or acting. The lassitude was so

> Classed as Practical Joker. The post office clock has been accused often of being a practical joker and stopping at inopportune times. When the government clerk has come down in the morning to his work he has discovered that the post office timepiece indicates that it is, 3:15 o'clock. Or the man who started home early, as he thought, according to the clock, has been met in the hallway by his wife with a demand for an explanation for being out until 3

practically to have lost all idea of time.

But this is the first time that the revered timepiece has suffered from spring fever. The attack is a severe one, sure enough, even the crowds in front of the base ball score board at The Star office tion of the rest of the world. In a brief failing to arouse the veteran timepiece to a sense of its public duty in marking off the flow of the minutes in an accurate and efficient manner.

PRINTERS' UNION OFFICERS.

Nominations Made for Annual Election to Be Held in May. The annual nominations of officers and

Union, No. 101, took place yesterday afternoon at Typographical Temple, 425 G street northwest. The officers placed in nomination were: President, Frank A. Kidd; vice presi-

dent, Joseph G. Stelle; secretary, George G. Seibold; treasurer, James E. Bright; sergeant-at-arms, Gary E. Walters; doorkeeper, N. C. Stoops; trustee, Charles C. Thompson; auditors, J. W. Carter, L. C. Vogt and W. H. Cornish. All the above candidates were nomi-

ed); representing book and job offices-H. Andrews, T. J. McDonough, John B. Dickman, John F. Luttich, W. R. Love; representing newspapers, J. H. Broderick of the Post; representing machinists, S. H. Cluxton. Delegates to the International Typoernment, three to be elected, F.

Whitehead, Louis R. Taylor, W. S. Schinnerer, Charles B. Huse, Philip Nachman, None of the Greene family has been Daniel O'Connell, Laura B. Gordon, H. J. ill. The pastor does not believe that either Redfield and Joseph E. Goodkey; not emseph D. Mann. The election of officers and delegates

will take place May 19, and the Interna-, tined, the pastor and his family have per-sonal passes to leave and return to the will be held at St. Joseph, Mo., August 9 to 14. In several speeches by members the organization had been conducted during the past year.

During the regular order of business provision was made for the burial of a former member who died suddenly of of heart disease the latter part of the

next fiscal year Commissioner Macfarland this morning moved before the District board that heads of departments and boards in the local government will, in preparing their estimates, consider the provision in the last District appropriation act that the total estimates shall not exceed twice the total amount of the District revenues for the year. His motion is, in full, as follows: "I move that, with a view to the strict-

invited to the provision in the District appropriation bill approved March 3, 1909, that 'hereafter the Commissioners of the District of Columbia shall not submit, nor shall the Secretary of the Treasury transmit to Congress regular annual estimates for expenses of the government of the District of Columbia for any fiscal year The call for one or another brand of that shall exceed in the aggregate a sun estimated revenues of the District of Comates shall take into consideration and embrace all charges against the said revenues arising under appropriations other than the regular District of Columbia bill. Such annual estimates shall not be

mates for the consideration of the Com-

missioners of the District of Columbia be

regular session thereof." Commissioner Macfarland's Views. Discussing the motion, Commissioner Macfarland declared that "the Commissioners have always cut the estimates submitted to them so as to bring them within the apropriation fund if proper distinction was made between extraordinary and current expenses. The reductions large and our endeavor has been to prac-

without impairing efficiency, and so as to provide for the contantly growing capi-tal. But it is obvious that the new legis-and utility. lation of Congress will require a far better reduction. Since it does not contemplate any distinction between extra-Wilson & May- 31, 1909, six pension payments had been not force conviction. Faith in divine ordinary and current expenditures, all of the estimates must be brought within Advt. paid to pensioners-\$38,344-is an average desire, readiness to believe, humble sub- expenditure must be met by that fund in of \$1,597 per week. Applications for the pension to the number of 566 had been re-cultivate these qualities if he would have must, of course, execute the will of Conofficers and boards which submit estimates to us for our consideration.'

ARK OFF FOR SUMMER GAMES

Floating Card Palace Anchored on them Flats Near Fort Foote. The big ark belonging to the Heaths was taken down the river Saturday and anchored on the flats opposite Fort Foote, and it is whispered around that those who wish to try their luck in games of chance will soon be able to de so, as communication with the Virginia shore will be R. Jones and John T. Kennedy, took the The ark for several months past has been lying in the mouth of the James Creek canal, on the Eastern branch, with only stated, a number of workmen were placed on the craft, and she was given ices yesterday. a general cleaning and overhauling pre paratory to being taken down the river. It is stated that the games will star aboard the boat within the next few days. This ark was anchored below Alexandria for several months last spring and summer, and when the Virginia authorities threatened prosecution the

was brought to this city and laid up in the Eastern branch. DUNN THE LOWEST BIDDER.

the Johnson Opened. Bids for the erection of a new eight room building on School street, to relieve the Johnson, were opened in the board politics, and said it had ever fought for day. James M. Dunn was the lowest bidthe downtrodden and oppressed of hu- der, offering to do the work for \$55,600. The other bids were as follows: Burgess & Parsons, \$57,979; Robert T. Humphrey, American revolution was described, and \$58.200; Joseph H. Gibbons, \$58,700; New-in describing their career in the United man & Smith, \$60,500; Thompson-Starrett Company, \$61,950. The building is to be completed in eight months. This is the second lot of bids to be re
